

WBD Editor — Sample Document

This PDF is used by the demo application to showcase the annotation and signature features of the @wbd/editor library.

- Draw with the pen, highlight text and mark areas with rectangles.
- Add text boxes, lines and comments.
- Place signature / stamp placeholders where you need them.
- Use the cursor tool to move annotations and double-click to delete.

Signature placeholder

Page two

A second page to demonstrate multi-page annotation.
